## Easy As A~B~C Blanket, Infant

This is an easy design which is suitable for an infant size blanket. Three $1 / 2$ yard pieces are more than enough for the top. This kit includes 25 blocks, each cut into $81 / 2$ " square blocks. It needs no border.

Color A [focus fabric] - $1 / 2$ yard $\times 42^{\prime \prime}$ wide, cut into nine $-81 / 2^{\prime \prime}$ squares.
Color B [coordinate] - $1 / 2$ yard $x$ 42" wide, cut into eight $-81 / 2^{\prime \prime}$ squares.
Color C [coordinate] - $1 / 2$ yard $\times 42$ " wide, cut into eight $-81 / 2$ " squares.
Backing - 42"x 42"
Batting - 42" $\times 42^{\prime \prime}$

## Tip:

Consistent sizes require sewing using $1 / 4$ " seams.

Using a $1 / 4$ " seam for construction, arrange and sew blocks into 5 rows using layout as shown. Sew the 5 rows together and press seams, using ease of construction.

This blanket can be finished using the traditional method, which uses a binding, or the 'envelope' method, which uses no binding. Quilt or tie at least every $31 / 2$ to 4 inches. Quilting on the diagonal at all intersections looks nice and reinforces the blanket. Quilting $1 / 2$ " around the outside edges gives a more finished look when using the 'envelope' method.

Finished quilt is approximately $40^{\prime \prime} \times 40$ ".
