Rows 2, 4, 6, 8, 10, 12

Tip:
Consistent sizes require sewing using ¼" seams.

Sewing Instructions:

Using a ¼" seam for construction, sew each row in the order shown. The first row will be even numbered, all with 10½" rectangles. The second row will be odd numbered with the first and last block being the 5½" squares. Continue until you have all rows sewn together. Press seams, using ease of construction.

This blanket can be finished using the traditional method, which uses a binding, or the 'envelope' method, which uses no binding. Quilting in the ditch looks nice and reinforces the blanket. Quilting ½" around the outside edges gives a more finished look when using the 'envelope' method.
