Preemie, Whole Cloth Quilt

Fabric requirements:

Infant themed colors and prints are preferred for this pattern.

100% cotton [quilter's weight] or flannel fabric for front panel.

100% cotton flannel for the backing. No batting is used.

Tip:
Consistent
sizes require
sewing using
¼" seams.

Front panel:

Fabric A** – one 18½" square of infant theme fabric

**Appropriate infant themed pillow panel may also be used.

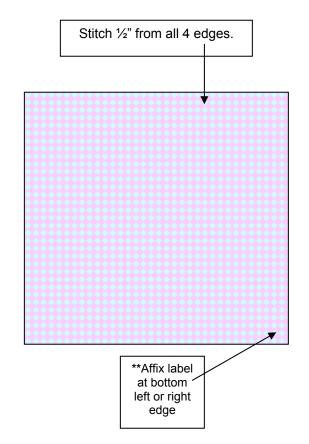

Backing: Fabric B – cotton flannel, 18½" x 18½" [Tip: 1½ yard, 40-44" wide = 4 backs]

Use a ½" seam throughout construction. Both front and backing should be 18½" prior to combining [unfinished size]. With right sides together, sew around the 4 sides and leave an opening at least 4" in order to turn and finish. After turning, press carefully so backing fabric is not visible around the edges. Close the opening by carefully hand stitching so no thread loops can get caught on tiny fingers and toes.

Minimal quilting is requested to protect the baby's ultra-sensitive skin. DO NOT QUILT WITHIN THE CENTER 12" PORTION OF THE QUILT. Sew a continuous seam, approximately ½" from the edges of the quilt. PLEASE DO NOT SEW AN "X" [DIAGONAL LINES] FROM CORNER TO CORNER!

Sew an AZB4K label [if you've got one] on the FRONT of the guilt, on either the lower left or right corner. **Position the label approximately 3/8" from the quilt's side and bottom edges. This can be hand sewn or applied bγ machine using STRAIGHT stitch [NO zigzag, please] sewn 1/8" inside the label's edge. If using your machine, load white thread in the needle and bobbin. If you apply the label to the quilt face before attaching the front to the back, please position the label allowing for 1/4" seam allowance [5/8" from side and bottom edges].

Finished size: 18" x 18" square
